INTERIOR FIT-OUT || DATA CENTER

FIT-OUT DATA CENTER

FOCUS ON SAFETY AND PRECISION

WHEN SOLID CRAFTSMANSHIP, TECHNICAL PRECISION, MODERN ARCHITECTURE, AND RELIABLE PROJECT MANAGEMENT INTERLOCK PERFECTLY

DISPLAY INTERNATIONAL stands for high-quality fittings for demanding, technically sensitive environments.

We design, implement, and manage worldwide:

- Interior fittings for data centers
- Technical and server rooms
- Control and command centers
- Office and support areas
- Reception and visitor areas

With a strong network of specialist planners, tradespeople, and specialized partners, we reliably implement complex requirements – from structural designs and technical interfaces to final handover. Digital and hybrid project processes are also seamlessly integrated, ensuring that planning, communication, and implementation remain transparent, efficient, and secure at all times.

140 + EMPLOYEES
WORLDWIDE

3.300 + REALIZED

A modern conference room with a long, dark conference table in the foreground. On the left wall, there is a large black screen. The right wall is covered in horizontal wooden slats. A curved wooden slat wall is visible on the right side of the room. The ceiling features several cylindrical pendant lights, some of which are illuminated. A wooden door is visible in the background.
